**APPELLANT'S SUPPLEMENTAL REPLY UNDER 37 C.F.R. §41.41**

This is a Reply to the supplemental Examiner's Answer, dated May 21, 2007, to the Appeal Brief (submitted February 23, 2006) appealing rejections of all claims in the June 13, 2005 final Office Action of the Examiner of Group 2174.

Appellant has reviewed the supplemental Examiner's Answer and it appears to be merely a corrective document that does not change the substantive arguments of the Examiner's Answer dated May 19, 2006. Because the supplemental Examiner's Answer does not raise any new grounds of rejection, Appellant believes that no new arguments are required in reply to maintain the appeal and thus, Appellant stands on the arguments submitted in Reply Brief mailed on July 19, 2006.

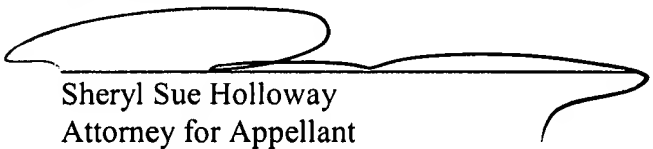

**Deposit Account Authorization**

Authorization is hereby given to charge our Deposit Account No. 02-2666 for any charges that may be due. Furthermore, if an extension is required, then Appellant hereby requests such extension.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR  
& ZAFMAN LLP
